ABOUT US

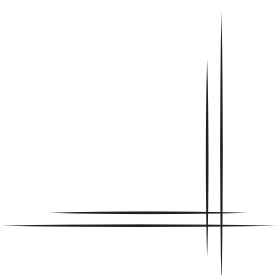

Our company, which was established in 2013, provides services in the field of production, wholesale and project solutions in the WET VOLUME EQUIPMENT sector, in its factory area located on 4500 m². In the formation of all these services, PROaks Bathroom is a professional organization that acts with the principle of customer satisfaction. It includes both stainless steel wet area equipment and brass and etc. manufactures bathroom accessories using basic raw materials.

Thanks to its domestic experience, development and quality, it exports its products to many different regions of the world. Europe, Eastern Europe, Russia, the Middle East, the Balkans, Turkic Republics and North Africa can be counted as priority among the regions we have worked in the field of export.

Our company is capable of producing and designing many required documented, brand-registered products suitable for every special project.

We remain loyal to our principle that cares about customer satisfaction by providing consultancy services with warranty period and after-sales technical support in all product groups we serve.

PROaks Family.
